OBJECTIVE

The Objective of the Student Tracking System(STS) is to track each and every child in the relevant age group throughout the State from Birth Registration. For example if the goal is to universalize 9 Year basic education in the state, the relevant age group children to be tracked in the STS is 0-15 considering 6th year as official entry age to grade 1. The STS will create a database of all children in the age group of 0-15 years in the state. with the details of each and every child such unique Child Code, his/her name, date of birth, sex, educational status, reason for non-attendance /Out-of-School and data on other relayed key variables by particular regerence period of the year.The database generated through the STS can be used for the follwing purpose :

- Identifying village/habitation/quarter wise children in the relevant age group for enrollment i.e creating database on children in the relevant age group.
- Finding out reasons for out of School for every out-of-School child in order to design appropriate intervention strategy.
- Dropout rate.
- Tracking academic progress of every child in every school.
- Student Performance record/health record.
- Diagnosing several other aspects of participations and retention of children in basic education.
- State/District/Taluka/Village Wise Student Tracking.
- Monitoring the educational status of every child in terms of never enrolled out of school / vocational Institute/ higher & technical.

Click on submit button to enroll Student

After submitting the form 9 digit number called as enrollment number is generated as shown in the below image.

Student Enrollment

(SCREEN 1.1(A))

⛔ Please do not refresh/reload this page

✔ HIMANI DILIPBHAI DARJI is enrolled successfully.
Enrollment number is :021 140 018

- Student Enrollment process is divided into three parts:
 - Admission to 1st standard(School Level)
 - Admission to higher standard(Block/Cluster Level)
 - Admission through Promotion
 - Admission through Transfer Certificate (Admission in Higher Standard)
- When a student enroll at first time in a school then he/she directly enrolled in first standard
- Only those students are able to enroll in higher standard who have their Transfer Certificate
- If student has been pass the exam of previous standard then he/she is able to promote in next class
- If the user registers the student then the registration request goes to higher authority for approval.
